I purchased shares in 2UP after being advised that the money was to be used to grow the company and provide working capital for it's operations.

I opened Accounts under my name plus in my Private Superannuation company through Octa Phillip. Liaised with both Nicholas Perez-Mathews and Mark O'Brien on the basis that they were organizing the share purchase and I received an account number and information from them.

The money for the shares was paid into an account (BSB 063-226, Acc 10056433) that was controlled by Justin Betteridge; our contact at 2UP who provided the information regarding the shares. I then received from Octa Phillip, a BUY Confirmation detailing that shares were purchased in my name Adrian Jones and also Super Fund Trilway Pty Ltd ( Franale P/L Executive S/F Account)

I received an email in 2013 from Huw Davies from Octa Phillip giving an update on how 2UP was going

I now realize that the money I paid has not been given to 2UP and instead has gone to people who were presenting themselves as representatives of 2UP Gaming and Octa Phillip (Now Phillip Capital) Phillip Capital should have had security of it's staff so as to stop activities which are obviously fraudulent such as this being carried out.

I have attached Contract Buy Notes and other emails

1. Trilway Super 14/3/2012 \$9,999.92 with Brokerage of \$100 & GST \$10 - Total Paid \$10,109.92
