TO WHOM IT MAY CONCERN

Re: Tracey Lee Carr

100 Tocumwal Road NUMURKAH. VIC. 3636

I purchased 2 parcels of shares in 2UP (3571 shares in the name of Tracey Lee Carr on 07/02/2012 for \$1,000.00 and 3572 shares in the name of Tracey Lee Carr on 08/02/2012 for \$1000.00) after being advised that the money was going to be used to grow the company and provide working capital for its operations.

I opened an account with Austock Securities and were advised and dealt with Nicolas Pereza-Mathews, on the Basis that they were organising the share purchase. I in turn received an account number and information from them.

The money for the shares was paid into an account (BSB 013030, Acc 526688516) that was controlled by Justin Betteridge; our contact at 2UP who provided the information regarding the shares.

We received from Octa Phillip, a BUY Confirmation detailing that shares were purchased in Tracey Lee Carr Name.

We now realise that the money we paid has not been given to 2UP and instead has gone to people who were presenting themselves as representatives of 2UP Gaming and Austock (Now Phillip Capital)

I believe that Phillip Capital should have had better oversight of its staff so as to stop fraudulent activities such as this being carried out.

Yours Faithfully

TRACEY LEE CARR
