Dear Sir,

We refer to your e-mail dated 16 February 2014 drawing our attention to a company named Mille Capitaux which claims to have offices in Luxembourg.

We may inform you that such a company is neither incorporated under Luxembourg law nor registered with the Luxembourg Register of Trade where all companies established in Luxembourg have to register. Furthermore, it has not been granted any authorization to offer financial services in or from Luxembourg and is not regulated by the CSSF.

For investor protection reasons, the CSSF has published a warning against Mille Capitaux on its website www.cssf.lu.

Yours sincerely,

COMMISSION de SURVEILLANCE du SECTEUR FINANCIER
